DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

As claims 1, 20 and 29, the prior arts in the record fail to disclose or make obvious a system and method comprising a multi-media call application that effectuate quality of service guaranty for a packet based multi-media call through call associated individual media stream bandwidth control as stated in pages 6 and 8 of specification.

As claims 10, 14 and 26, the prior arts in the record fail to disclose or make obvious a system and method comprising a bandwidth reservation service that requests a sub-net bandwidth manager to allocate a portion of reserved bandwidth for a packet based multi-media call to an individual media stream of the call, providing the SBM with call level information to allow the SBM to associate the individual media stream of the call with the reserved bandwidth of the call, the SBM managing network bandwidth of a local area network through which the call is conducted as stated in pages 6 and 8 of specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
